RESTARTS

Both restarts happen in the same place and they'll be on side walls. The restart is after count 4 of the 3rd section (i.e. after count 20). As per normal, you step L forward then restart by stepping R to R side.

1st restart, wall 6 – you'll restart facing the R side wall (03:00).

2nd restart, wall 8 – the tempo will slow so slow your steps also - you'll restart facing the L side wall (09:00).
