Notes:

The 5 th wall is a short wall (only 16 counts). Do the first 12 counts then sway to left on counts 13 & 14 and then sway to right on counts 15 & 16. Do not cross, maintain weight on right, restart from beginning.

The 11 th wall is also a short wall. Repeat what you did on the 5 th wall.

This is not mandatory however, the dance can be done without any restarts, it just won't fit the phrasing of the song as well. And, if you do it to a different NC2 song you don't need the restarts.
